EDUCATION

University of Central Florida

Bachelor of Science in Computer Science

June 2024-May 2028

4.0 GPA Orlando, FL

Relevant Coursework: Advanced Data Structures and Algorithms, Introduction to C programming, Object Oriented Programming, Discrete Structures

PROJECTS

lila! | C#, Unity

February-April 2025

- Solo developer of a 3D platforming game using the Unity Engine as the main tool
- Created scripts in C# to encourage the player and objects to react on the screen
- Designed the UI and overall aesthetic of the game through menus and buttons
- Documented the game development process to organize and track design ideas and implementation progress

Tricky Treats | C#, Unity

October 2024

- Developed a Halloween-themed video game over the course of one month
- Developed movement and item scripts for enemies and the main player
- Designed the menus and button options for the game
- Independently developed the entire project using Unity, demonstrating game development capabilities

Master of Cards | C#, Unity, Git, Github

September 2024

- Developed a game within a 48-hour Game Jam
- Developed player and enemy movement through coding in C#
- Collaborated with artists and level designers to ensure optimal gameplay

ACTIVITIES

Game Dev Knights

Aug 2024-Present

Mentee and member

Orlando, FL

- Actively learning game development through hands-on projects under mentorship
- Delivering high-quality projects every few months for mentor review and feedback
- Collaborate in time-constrained Game Jams to design and develop games from scratch, fostering strong teamwork and creative problem-solving

TECHNICAL SKILLS

- **Programming Languages:** C, C#, C++, Java
- **Languages:** Fluent in English and Spanish
- **Tools:** Git, Github, Unity, Visual Studio Code, CLion, IntelliJ IDEA, Unreal Engine
- **Awards/Certifications/Training:** UCF's President's Honor Roll Fall 2024 and Spring 2025, Certiport Computational Thinking, CodeHS certificate
- **Characteristics:** Analytical, Teamwork Oriented, Resilient, Confident, Open to Ideas, Rational, Efficient, Determined
